

You can make a difference beyond your lifetime

As the philanthropic arm of Northern Health, Northern Health Foundation shares the vision and values of our health service. Its purpose is to raise funds for important medical equipment, research and training, and to raise awareness and increase community engagement.

Whilst the State Government provides for the everyday needs of the health service, Northern Health Foundation works to ensure our community has access to the best possible care, the latest life-changing equipment, and most vital programs, right on their doorstep.

We exist to do our part towards improving the health outcomes of patients in our care, and the health of the overall community.

This is our legacy. It can be yours too. We would be honoured to be your charity of choice.

Once you have chosen to leave a gift to Northern Health Foundation, you will become part of a very special group known as the Batten Society.

Members of the Batten Society are a group of like-minded people who have chosen to leave a bequest to Northern Health Foundation.

How would you like to be remembered?

The suggested wording for leaving a bequest to Northern Health Foundation in your Will is:

//
I leave to Northern Health Foundation ABN 42 986 169 981 the whole of my estate (or % of), free of all duties and deductions, to be applied for its general purposes in such a manner as Northern Health Foundation may determine (or) for the following purpose (you may choose to direct your gift to a specific service provided by Northern Health Foundation or capital works).

A bequest is simply a gift made to your chosen charity through your Will. Your gift can be made to a specific purpose or cause, or can be left to the discretion of the organisation to direct funds to where they are needed the most.

Where do I start?

The thought of writing a Will can seem like a daunting prospect, but having a Will ensures your assets will be distributed according to your wishes. Choosing whether or not to leave a charitable gift in your Will is simply part of the process.

When writing a Will, you can elect to:

Visit a solicitor who will do it for you: If you wish to leave a charitable gift, you will need to provide details of your chosen charity. To leave a gift to Northern Health Foundation you will need the following details:

- Legal Name**
The Northern Health Research, Training and Equipment Foundation Trust
- ABN** 42 986 169 981
- Street Address** 185 Cooper Street, Epping, Victoria, 3076

Write your Will for free using an online platform: We have partnered with 'Gathered Here', a free and easy step-by-step online Will writing service. It can take less than 10 minutes to have an impact on the health of your community.

Your legacy... transforming the health and wellbeing of Melbourne's north for generations to come.
